

MSS + DISPLACEMENT

Look for a **Break in structure** or **MSS** with **displacement** in the direction of our intended trade.

FAIR VALUE GAP (FVG)

This is a **key point** in the model.

After a **break in structure (MSS)** there should be an **FVG** in a displacement leg.

TRADE EXAMPLE 1

SSL + MSS + FVG Retest + Entry + Target 1:3RR

TRADE EXAMPLE 2

SSL + MSS + FVG Retest + Entry + Target 1:3RR
